

Power distribution unit (PDU), 8 sockets, 1U, 16A

Rack mountable designed for 19" cabinets

NVT-PDU010

Features

- 8x German Schuko type sockets
- Master Surge Overload Protector
- 1U rack mountable

Specifications

- Output: 8 pcs, german Schuko type, female
- Input: 1pcs IEC320 C14 male, 1.8m power cord
- Max working voltage: 250V/50Hz
- Max working current: 16A
- Max working power: 3500W
- Voltage protection level up: <1000V
- Response Time TA: <20nS
- Insulation resistance RIS: >100M ohms
- Fire Resistance: Up to UL 94V-0
- Environment Temperature: -40-+70C
- Relative Humidity: <=95%
- Dimensions: 432 x 44 x 44 mm

Packing

Qty in box, pcs: 1
Weight kg: 0,88
Country of origin: CN
EAN Code: 3856016516298
